WINCHESTER MG OWNERS CLUB

.....is a club for owners of MG cars in the Winchester and mid Hampshire area. Our members come from as far afield as Farnham, Hamble and Andover. Our members own MGs old and new ranging from 1930's J Type to 2004 MGZT

We share an interest in motoring and in the heritage of the marque but we don't "talk cars" all the time!

We arrange social gatherings, outings and events throughout the year.

Winchester MGOC is affiliated to the MG Owners Club which is the largest car club in the world with over 50,000 members.

Got an MG?

Just come along and meet with us!

We usually meet at the King Charles Inn, Kings Worthy on the last Tuesday of the month.
